With our efforts more focused on the principles of transparency, accountability and enhanced people participation, LGUs in Region IX have been inspired to accelerate and improve their level of performance, thereby, raising the level of excellence in local governance to yet another notch.

With this, let us continue to be instruments of change in the LGUs, harmonize our efforts in order to level-up P/P/A implementation to effectively cater to the needs of the community.

Our accomplishments for CY 2011 only proves that with cooperation, support, unity and team work, success is never too far behind, as illustrated in our CY 2011 Annual Accomplishment Report.

Congratulations and cheers to all for a job well done!

## Message of the Assistant Regional Director

The year 2011 has been a very challenging yet fulfilling year for the entire workforce of the Department of the Interior and Local Government (DILG) Region IX. Amidst the pressures, constraints and circumstances beyond our grasps, our accomplishments for CY 2011, as reflected in this Annual Report, has once again proved that there is indeed no substitute for team work.

Adhering to the priority thrusts of Secretary Jesse M. Ro-bredo, DILG Region IX anchored its program and project implementation strategies on transparency and accountability, geared towards the promotion of good and effective local governance.

Immeasurable as it may be, cooperation, support, resiliency and hard work were clearly defined in each of the roles that every field and regional personnel effectively portrayed in order to accomplish our objectives.

As we usher in another year of public service, let us all continue work as a team to restore and renew the LGUs' trust in the DILG as a Department – as the LGUs primary partner in pursuing to create a more transparent, accountable and people-responsive local governance.

### 3 LGUs of Zamboanga del Sur awarded Performance Challenge Fund

The present administration's banner policy thrust "TAPAT NA PALAKAD: BAYANG MAUNLAD", has echoed through the halls of local government units and has translated into good governance practices. Some of these LGUs that exhibit the values of transparency, accountability, participation and performance were duly recognized through the conferment of the Seal of Good Housekeeping by the Department. This seal has made these LGUs eligible to access the Performance Challenge Fund (PCF).

For the province of Zamboanga del Sur, two (2) municipalities who passed the assessment of the Seal of Good Housekeeping were able to avail of the PCF, and thus were granted Php 1M each after satisfying all the documentary requirements, and the checks were being delivered to the recipient

LGUs San Pablo and Vincenzo Sagun on November 21, 2011 and on November 25, 2011 respectively.

Subsequent round of assessment has found three (3) LGUs demonstrating sound fiscal management and fully complying with the full disclosure policy – Aurora, Bayog, and Dumingag. The municipality of Bayog was able to access the PCF and received the fund on December 20, 2011 with the Regional Director, Paisal O. Abutazil, personally delivering the check with the Provincial Director, Hadji Abcede H. Asjali.

To institutionalize the practice of transparent and accountable local governance, the Department continues to monitor and assess LGUs' performance through the criteria set forth in the Seal of Good Housekeeping and the Local Governance Performance Management System.

## NATIONAL GREENING PROGRAM

The DILG Province of Zamboanga del Sur actively participated in the launching of the National Greening Program which was conducted on June 25, 2011, Arbor Day, at the Provincial Govern-

ment Complex, Dao, Pagadian City. All participating agencies – national government agencies and private sectors were each given lots on which to plant the seedlings provided by the DENR. The Provincial Director, Hadji

Abcede H. Asjali, gave a message on the significance of the program.

## Barangay Newly Elected Officials Program

Given a fresh mandate from the people, newly elected barangay officials face the challenge of performing their mandated tasks and responsibilities as policy makers, development planners, and service providers. The fact that many barangay officials are neophytes in the government service is a great challenge indeed for DILG people. In response to the need of the barangay officials and to the call of the President for a "Tapat na Palakad, Bayang Maunlad", DILG Province of Zamboanga del Sur implemented the Barangay Newly Elected Officials (BNEO) Program - Laying the Foundation for Grassroots Empowerment for Accountable and Transparent Barangays (GREAT Barangays), a capacity development program of the Department designed by the Local Government Academy to enhance the proficiency of barangay officials in performing their mandated tasks and responsibilities and build partnership with the civil society organizations and the national government to attain the needed synergy for development efforts.

The basic orientation on the fundamentals of governance including the values of transparency, accountability and participation was implemented within the last month of the 1st quarter of CY 2011 until the 2nd month of the 2nd quarter of the year. This was successfully implemented in coordination with the Provincial Chapter of the Liga ng mga Barangay and the League of Accountants all working closely to ensure the conduct of said activity. The technical assistance were provided by the DILG teams composed of the Provincial Director and technical personnel and MLGOOs in their respective fields of expertise. An NGO, the Moral Recovery Program- Movement for the Restoration of National Discipline, with whom the Provincial Office has entered into a Memorandum of Agreement with, was tapped to discuss on the values of good local governance.

All the 681 barangays in the Province of Zamboanga del Sur, Pagadian City included, have attended the training intervention. Indeed the activity has greatly helped the barangay officials be they newly elected or reelected, in the day-to-day discharge of their offi-

cial functions. The activity allowed them to learn and appreciate the wisdom of the various laws and issuances that support government policies and actions. It broadened their horizons and enabled them to commit themselves for the best benefit of their constituents.

"Tapat na Palakad, Bayang Maunlad" is the clarion call that is echoed in the training hall to find its way to the hearts of the Barangay Officials.

# Training on Katarungang Pambarangay

To fully realize the objectives of PD 1508 the Katarungang Pambarangay (KP) Law, the DILG Province of Zamboanga del Sur in close coordination with the Liga ng mga Barangay Zamboanga del Sur Chapter conducted a capacity enhancement of the Lupong Tagapamayapa province-wide. The three-day training activities were conducted simultaneously in four (4) venues: Hotel Alindahaw, Hotel Guillermo, Mardale Hotel, and Springland Resort from July 17 to August 3, 2011.

The KP training aims to enhance the skills of the Lupon participants to mediate, conciliate and eventually obtain the goals for which the KP was conceived and passed into law. Viewing through the framework of the BNEOP, this training is seen within the component 3- Citizenship Building (Strengthening the BBIs) and component 4- Sharpening the Saw.

A total of 1,724 participants from the 26 municipalities and Pagadian City benefited the training activity which tapped the expertise of court judges, prosecutors and lawyers and the wisdom of our DILG officers.

# Full disclosure Of Local Budget and Finances, Bids and Public Offerings by the LGUs

Financial Documents posted at Integrated Bus Terminal in Ramon Magsaysay, Zamboanga del Sur

The first quarter of the year 2011 saw only a few local government units fully complying with the full disclosure policy, however towards the end of the year, almost all LGUs have managed to post their finances accordingly, some

truly inspired by the grant of Performance Challenge Fund to LGUs who were conferred with the Seal of Good Housekeeping of which LGUs' compliance to full disclosure is one of the criteria. Thus, it satisfies the present administration's call to practice the values of good governance as transparency and accountability.

The DILG Province of Zamboanga del Sur has also established its website with the address: [www.dilgzambosur.org](http://www.dilgzambosur.org) wherein are posted some of LGU's finances. ## CAPACITY DEVELOPMENT SERVICES

Republic Act 9485, otherwise known as the Anti-Red Tape Act of 2007 mandate LGUs to put up One-Stop Shops for ease of renewal of business permits, Crafting of Citizen's Charter and posting of flow charts for services rendered by each department.

One-stop shops are established to cater the needs of entrepreneurs and ease of renewing their business permits. Although the Department of Trade and Industry has developed a Unified Form under the BPLS, the City Government has already a computerized system in place since 2006.

Barangay Based Institutions (BBIs) such as BPOC, BDC, BCPC, BDRMC to name a few are annually updated and strengthened. Functionality of such are also monitored from on a quarterly basis. They serve as frontliners in specific problems that may arise in the Barangay local government unit.

Natural calamities like hard rain that cause subsequent flooding are one of the many problems that Barangay Officials have to face especially those that are near river banks and large creeks.

## Implementation of the Newly Elected Officials (NEO) Program

A ground breaking initiative of the Department to come up with a harmonized and holistic capacity development delivery mechanisms for the Local Government Units. It is in consonance with its mandate to develop and equip the capability of the newly elected officials to face the challenges of their duties and responsibilities as public servants and enable them to reach their full potential and developmental goals.

With the 3 major components already accomplished, the first one Ensuring Smooth Transition, second was Laying the foundation, third was Building Alliances, the last is Sharpening the Saw. This involved Training the new set of Barangay Officials by a 3-day Seminar-Workshop about it's usual duties and functions as well as educate them about the Department's flagship programs.
